

Bayes Cleaners grew out of a simple concept: high performance, eco-friendly products for today's discriminating consumer. With this concept in mind, Lab-Clean developed a complete line of environmentally responsible cleaners. We have never wavered in our mission to create the finest products. All of our non-toxic biodegradable formulas are proudly made in the USA.

Begley's Best - Pet and Odor & Stain Remover

Removed stubborn stains and lingering pet odors. This eco-friendly Pet and Household Odor & Stain Remover solution effectively removes pet stains and odors from a variety of surfaces. Safely eliminates evidence of household accidents from tile flooring, wood, carpets, and upholstery. Leaves behind a fresh clean scent.

- ◆ 100% Natural

Bayes Leather Upholstery Cleaner & Conditioner - 16 oz.

There is nothing like the look, feel, and durability of fine leather upholstery. With care, a good quality cleaner and conditioner will maintain your investment for many years to come. It is important to keep leather clean not only for appearance sake, but to avoid the abrasive aging effect that dirt has on fine leather. Your upholstery should also be regularly conditioned to keep it nourished and supple. Bayes Leather Upholstery Cleaner/Conditioner cleans and conditions in one easy process leaving your furniture beautiful and looking its best. Also cleans and conditions boots, purses, and other fine leather items. Not for use on suede.

- ◆ Contains Cocoamides, Emollients and Conditioners
- ◆ Prevents Drying and Cracking
- ◆ Gently Cleans and Conditions in One Easy Process
- ◆ Non-Toxic & Biodegradable
- ◆ Biodegradable
- ◆ Recyclable Bottle
- ◆ Made in USA

Bayes Granite Cleaner & Rejuvenator - 16 oz.

Granite and natural stone countertops have become the mark of a luxurious modern home, and proper care is required to preserve the original look of your investment. Far too often homeowners use abrasive or caustic cleaners which erode the original sealant and damage the surface of the stone. Bayes Granite Countertop Rejuvenator has been formulated to gently clean the surface of your countertops while rejuvenating the original seal. This non-toxic cleaner dissolves and lifts messy spills, grease, and household soils leaving your countertops spotlessly clean, streak free, shiny and protected.

- ◆ Rejuvenates Original Seal
- ◆ Lemon Scented
- ◆ Dissolves Grease and Messy Spills
- ◆ Beautiful Non-Streak Finish
- ◆ Non-Toxic & Biodegradable
- ◆ Recyclable Non-Aerosol Bottle
- ◆ Made in USA

Bayes DfE Stainless Steel Cleaner & Protectant - 16 oz.

With proper care, your stainless steel appliances & fixtures will last a lifetime and continue to look like the day they were purchased. Unfortunately, many household cleaners contain abrasive or corrosive substances that may permanently damage your investment. Bayes Stainless Steel Cleaner/Protectant has been specifically designed to safely clean stainless steel while leaving behind a non-toxic surface saving protectant. This micro thin oil based layer seals the surface from airborne environmental elements while virtually eliminating typical fingerprints and smudges. Daily cleaning is no longer necessary to keep your stainless steel surfaces always looking their best.

Surfaces: All Indoor and Outdoor Stainless Steel Appliances, Fixtures and Accessories

- ◆ Oil Based
- ◆ Micro Layer Protects against Environmental Damage, Moisture, Ultraviolet Light
- ◆ Reduces Fingerprints and Smudges
- ◆ Melts Away Grease and Dirt
- ◆ Non-Toxic & Biodegradable
- ◆ Recyclable Non-Aerosol Bottle
- ◆ Made in USA

Formulated in partnership with the Environmental Protection Agency's Design for the Environment program. <http://www.epa.gov/dfc>
