Hoover™ RoadRat™ Wet/Dry Car Vac

Quick Mobile Cleanup

The Hoover™ RoadRat™ wet/dry car vac is the perfect accessory for the family car or van, SUV or light truck, boat or RV. Just plug it in to any vehicle outlet and catch spills quickly and easily before they set.

18' Power Cord

The extra-long 18' power cord on this versatile wet/dry vac lets you reach anywhere in your vehicle or boat, from floors, seats and trunk to deck, galley and storage compartments ... and more.

Removable Filter

The Hoover™ RoadRat™ wet/dry car vac's filter and collector cup can be easily removed and rinsed off for fuss-free cleaning.

Additional Features

12-Volt Power Plug

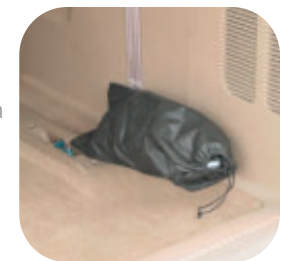

Plug the 12-volt power plug directly into your car or boat power source and the car vac's heavy-duty 12-amp motor delivers plenty of suction power to pick up wet liquid spills or dry dirt and debris.

Multiple Cleaning Tools

The versatile wet/dry car vac includes a crevice tool to get dirt out of tight places and a squeegee tool to make wet cleanups a breeze.

Handy Storage Bag

Store the Hoover™ RoadRat™ right in your car, van or RV in its handy cloth storage bag for easy access whenever and wherever spills happen.

Warranty

This quality-crafted car vac is backed by a full one-year warranty on all parts and labor.
