HEPA Filter

The HEPA filter captures small particles such as allergens, irritants and pollutants.

HEPA Filter

Dirt Sensor

Dirt Sensor

The built-in electronic dirt sensor helps you clean with confidence by finding hidden dirt.

Automatic Cord Reel

A single touch activates the cord rewind mechanism making storage easy and convenient.

Automatic Cord Reel

360° Swivel Hose

Full circle cleaning is possible without moving the canister. Additionally, canister tip over is greatly reduced as the hose moves freely in all directions.

Tools On-Board

Four tool attachments are recessed on top of the canister for easy access during cleaning. No time is wasted searching for the tool you need. Just lift the cover and it's right within your reach
